Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$9,000,000 for the Triangle Mobility Hub project in Fiscal Year 2026 (FY26). The entity to receive funding for this project is the Research Triangle Regional Public Transportation Authority d/b/a GoTriangle, located at 4600 Emperor Blvd., Suite 100, Durham, NC 27703. The funding will help the Hub replace the Regional Transit Center and establish new levels of rapid transit service.

The project is an appropriate use of taxpayer funds because it will help connect North Carolinians to their workplaces via transit. Employing alternatives to automobile transportation will help to alleviate traffic and pollution in the area and will allow the region to support its population growth.

The project has a federal nexus because the funding provided is consistent with purposes authorized in chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Valerie P. Foushee
