Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$1,500,000 for the Carrboro Affordable Housing Preservation Initiative in Fiscal Year 2027 (FY27). The entity to receive funding for this project is the Town of Carrboro, located at 301 W. Main St., Carrboro, NC 27510. The funding would be used to perform weatherization improvements for up to 55 income-eligible households to preserve existing affordable housing supply.

The project is an appropriate use of taxpayer funds because it will help prevent housing displacement in Carrboro while preserving the existing affordable housing supply and making significant home repairs for eligible households in the local community.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Valerie P. Foushee
