Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$2,000,000 for the Lincoln Apartments Demolition, Site Security, and Predevelopment project in Fiscal Year 2027 (FY27). The entity to receive funding for this project is the Durham Housing Authority, located at 423 Morris St., Durham, NC 27701. The funding would be used to begin the demolition and predevelopment of a new affordable housing complex.

The project is an appropriate use of taxpayer funds because it will help expand the affordable housing supply in Durham. The redevelopment of this property will ensure that affordable, safe, accessible housing options exist in this community.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Valerie P. Foushee
